NEW BUSINESS

Radio PSA's: We have two public service announcements that continue to run on WCLN.

Partnerships: We would not have survived without the support from the community, especially Star Telephone. Jeff has now "planted a seed" with South River for support. He suggested that each member do the same with business contacts you meet or at functions you attend.

Eric Pope stated that there are grants available with the Governor's Crime Commission. He is willing to represent the Taskforce at trainings and would also do some grant writing. Robin Henderson stated she'd help. It was decided that Pat Green, Eric and Robin will research to find available grants that are available for the Taskforce.

JW reminded the group that we can now take donations and they're tax deductible. At the next meeting the Board can work to clarify the four initiatives of the Taskforce and revisit the Mission Statement.

Becky Jackson made a motion to adjourn. Jeff Shipp seconded the motion with complete agreement by the Board.
